

ANGLES

Mathematics Presentation

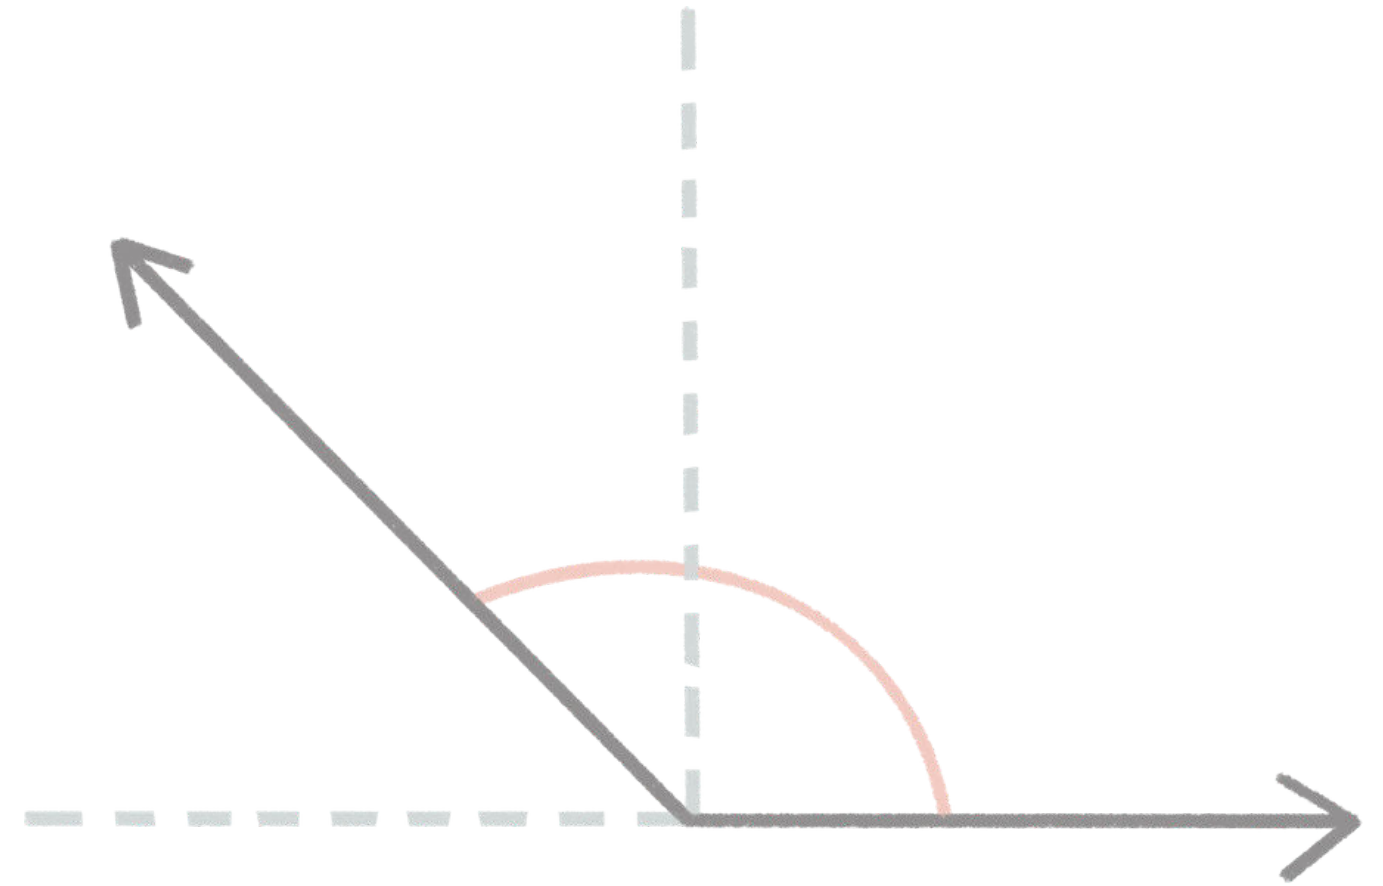

**Acute angles
measure between
 0° and 90°**

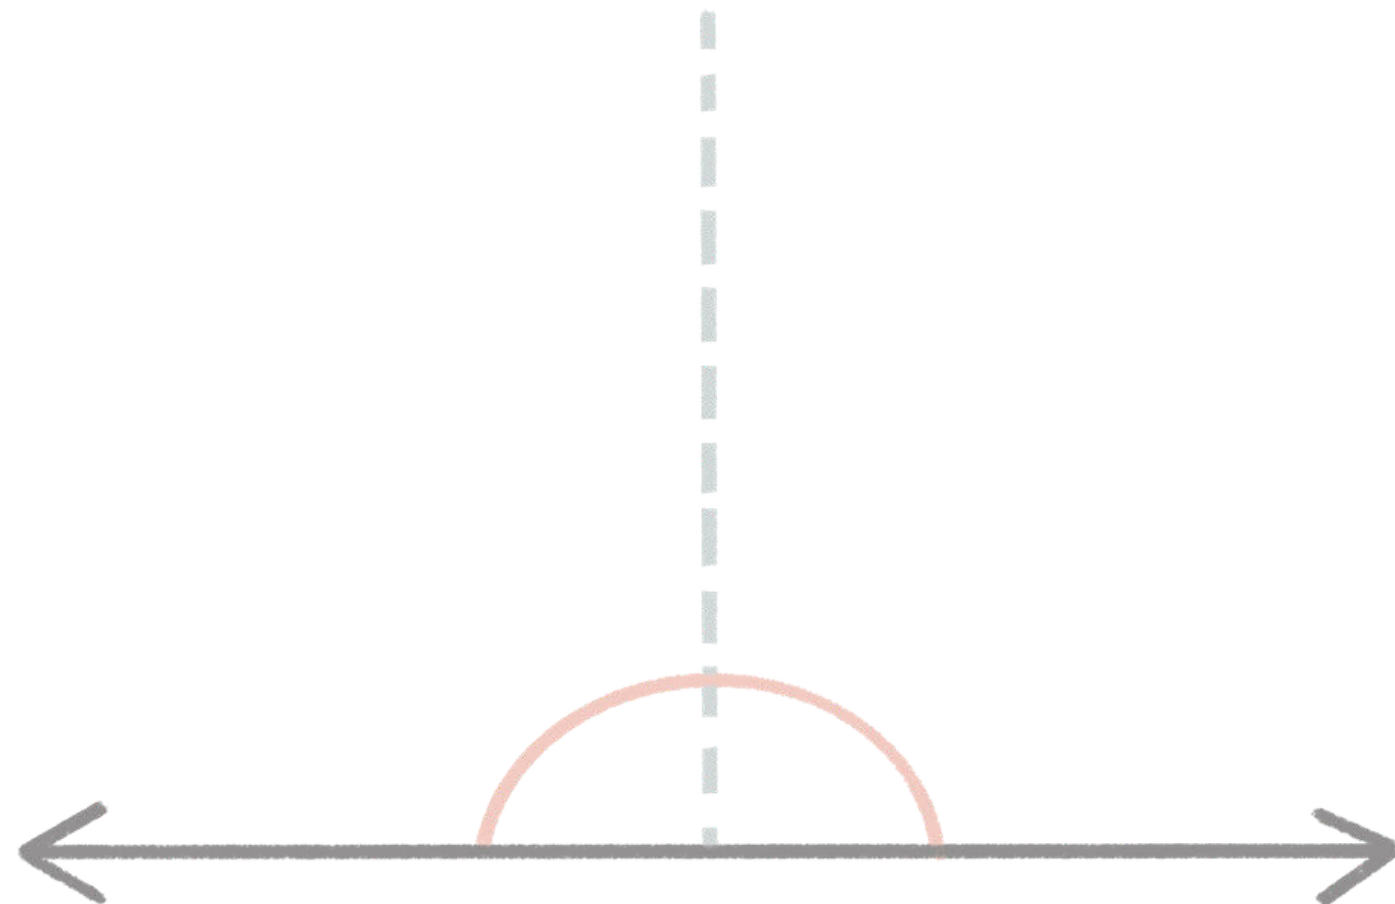

**Right angles
measure at 90°**

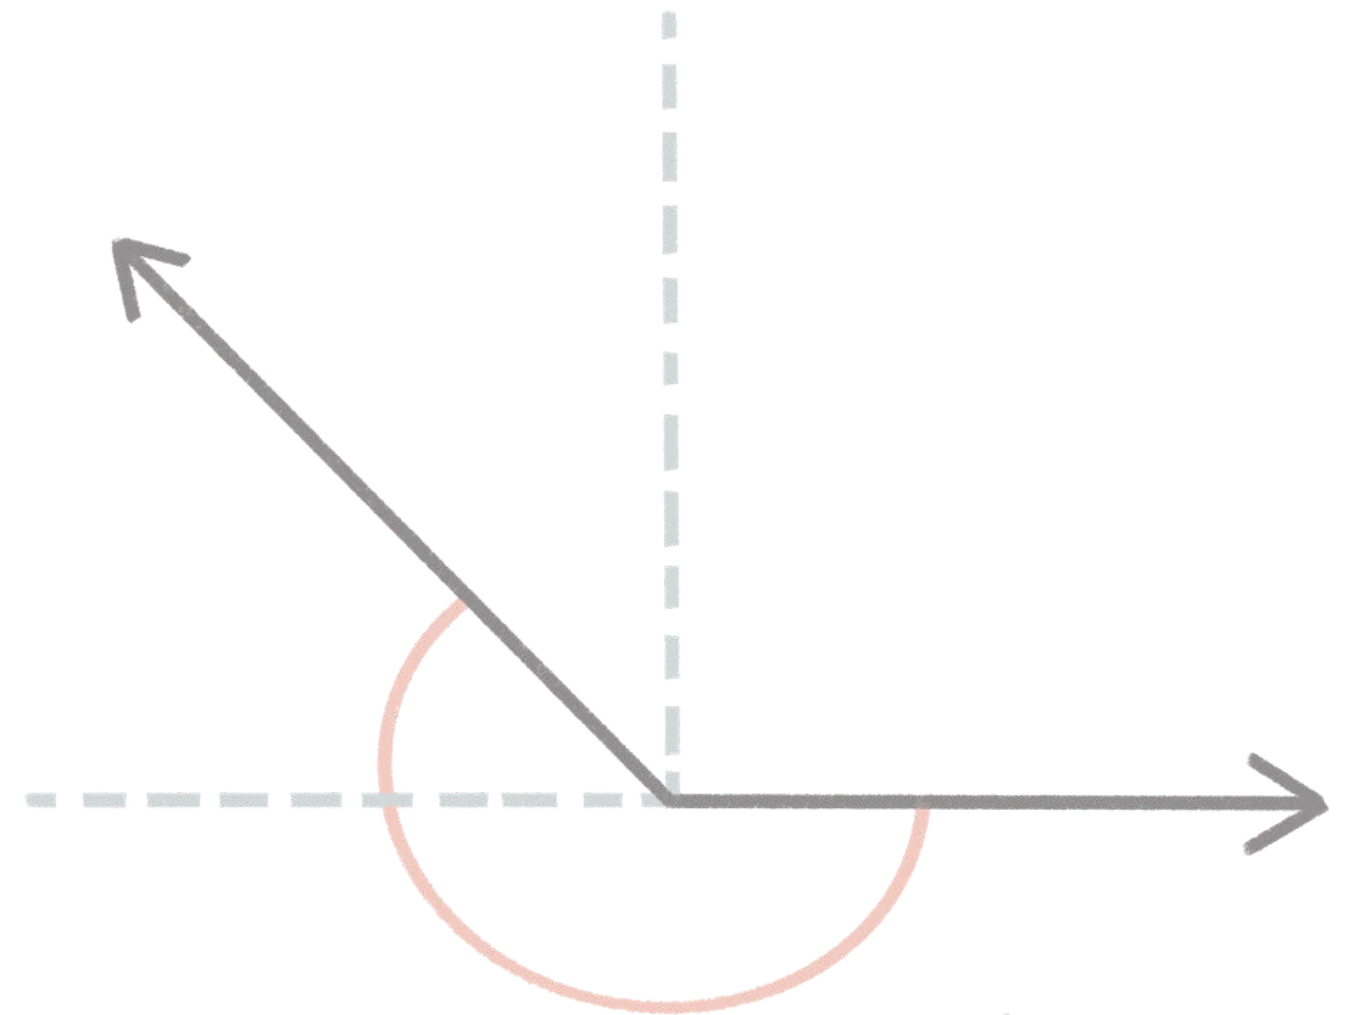

**Obtuse angles
measure between
 90° and 180°**

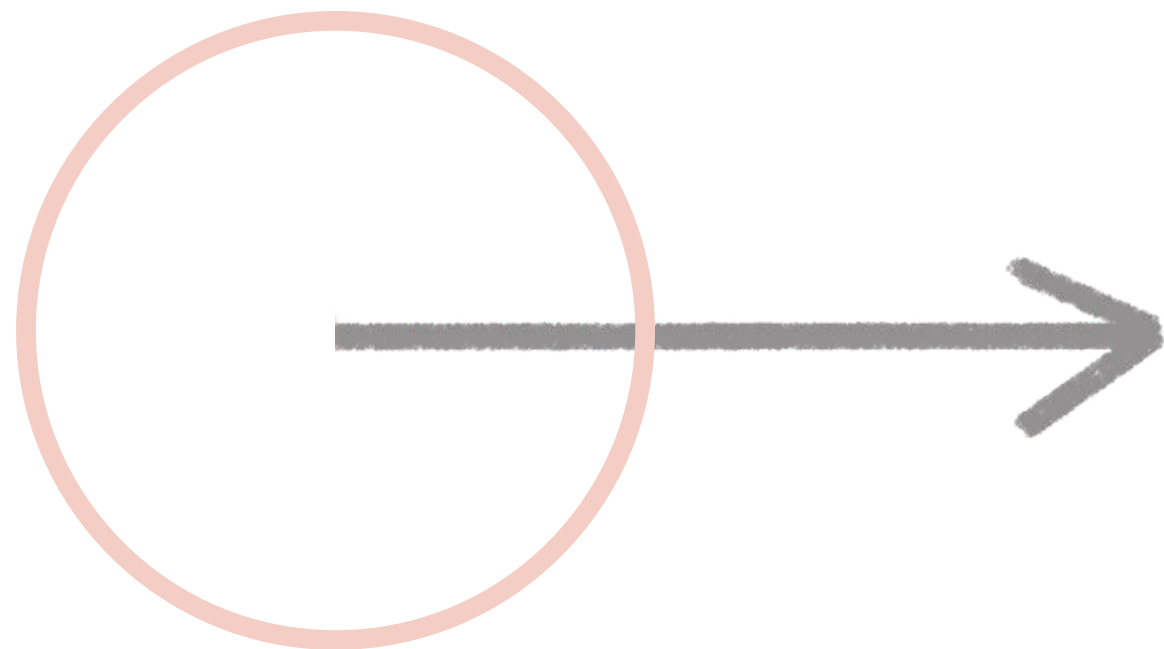

**Straight angles
measure at 180°**

**Reflex angles
measure
between 180°
and 360°**

A revolution is 360°

**Discuss as a class, the
different angles you see
in the following images:**
