"Record Breaking" Place Value Poster

Instruction:

- Numbers are all around us! Your task is to explore various world records and fascinating facts. You need to uncover five records or interesting facts that feature numbers ranging from five to six digits.
- Document each record and fact, including:
 - Standard form
 - Word form
 - Expanded form
- Once you've completed your research, design a poster to showcase your discoveries.

Research Recording Sheet

Record/Fact	Number	Expanded Form	Word Form
Alaska's population is 738,737 people	738,737	$700,000+30,000+8,000+700+30+7$	Seven hundred thirty eight thousand seven hundred thirty seven
