

THE FORGIVING CAT

Cleo was a small orange cat who loved to nap in the sunny garden. One day, her friend Max, a little dog, accidentally knocked over her water bowl. Water spilled everywhere!

Cleo felt upset at first. Max looked sorry and said, "I didn't mean to!" Cleo took a deep breath and forgave Max. She said, "It's okay. Let's clean it up together!"

Afterward, Cleo and Max played in the garden. Cleo felt happy because forgiving her friend made her heart feel light.
