

THE RESILIENT WALRUS

Wally was a walrus who lived by the cold ocean. He had long tusks and liked to rest on the ice with his friends.

One day, the ice cracked, and Wally slipped into the cold water. He tried to climb back up, but it was hard. Wally did not give up. He tried again and again.

At last, Wally used his strong tusks to pull himself onto a new piece of ice. He was wet and tired, but he was safe. Wally rested and felt proud because he kept trying.
