Subject: Hi there!

Hi John!

I'm Alex. I'm from England and I'm 10 years old. I live in London. I have one sister and two brothers. My sister is 7 and my brothers are 5. They are twins! Do you have any brothers or sisters?

I go to school in the morning. On Monday I have Art and on Wednesday I have Literature. My favourite subjects are Science and Math. I love doing experiments and solving math word problems. After school I play rugby on Tuesday and I have piano lessons on Friday. What about you? What's your favorite subject? What do you do after school?
