

Antonyms

Antonyms

Today, we are going to learn about antonyms.
Learning about antonyms is a great way to widen
our vocabulary!

Antonyms

Antonyms are opposites. For example...

Fast

Slow

Antonyms

Another example of antonyms is:

Small

Large

Antonyms

Think about the antonyms you just saw, what part of speech were they?

Antonyms

Think about the word shark. It is a noun. Do you think a noun can have an antonym?

Why or why not?

Antonyms

Time to Practice!

Antonyms

Read the words on the next slides. Think of an antonym for each word you read!

Antonyms

joyful

Antonyms
