

COMPREHENSION VOCABULARY

Read the text and answer the following vocabulary questions:

Kara was excited and nervous as she got ready for her first day of school. She put on her new clothes and shoes and packed her backpack with her lunch and school supplies. When she arrived at school, she saw lots of other children and felt overwhelmed. But her teacher greeted her with a smile and helped her to find her desk. As the day went on, Kara made new friends and enjoyed learning new things. By the end of the day, she was exhausted but happy and couldn't wait to come back to school the next day to learn and play with her new friends.
