A Place I Would Recommend

Part 1. Read the paragraph.

One place I would recommend is the city park near my home. It is clean, quiet, and full of beautiful trees. There are walking paths, benches, and a small café where people can relax. I often visit the park with my friends or family. It is a great place to spend time outdoors and enjoy nature. I always feel calm after my visit.

Part 2. Write about a place you would recommend.
